

ISLAND SPIRIT 410

NEW
2017

Thailand-based Island Spirit is offering a new 41-foot catamaran, which uses again the features that made the company's 380 a success, but offers almost 40% more living area. Designed by Albatross Marine Design, this boat can on request be built with three or four double cabins, which can be either partitioned or 'open', to give an even greater feeling of space and volume, or in a day-charter version to accommodate up to 40 passengers.
